

# SAVOR...Pensacola at Pensacola Bay Center

## Catering Menu

# Catering Policies

*Our menus have been prepared to introduce you to our personalized style of catering service. We provide these selections in order to help you plan your catered event. However, these are only a sampling of services offered, and can act as culinary guides to your selection process. Should you propose a special request, our entire staff stands ready to fulfill your needs. Finally, the following information is offered in answer to some of the most frequently asked questions:*

All room reservations should be confirmed as early as possible, prior to planning food arrangements with the Meeting Room Coordinator.

After we have discussed and confirmed your banquet menu and table setup, you should confirm your room arrangement with the Pensacola Bay Center staff person who handled your original reservation.

Your final guarantee should be specified at least 72 hours prior to your event. It is our policy to prepare 5% above your guarantee, but not exceeding an additional 35 meals. There is a minimum guarantee of 25 people for all catered events. Additional fees may apply to events with fewer than 25 people.

If the counts exceed the guarantee by more than 5%, we will do our best to provide similar meals for the additional number, at an additional charge of \$2.50 per person plus your pre-arranged per person price. All pricing is subjected to 21% Administrative Fee, (Saenger Theater and other offsite locations 26% administrative fee) and 7.5% Sales Tax.

All food and beverage service on the premises of the Pensacola Bay Center must be provided by Savor Pensacola / SMG.

An advanced deposit of 50% of the estimated final charge is required for all functions, to be paid no later than ten days prior to the function. The remaining balance will be collected prior to the catering of the event. Simply put we do not extend credit. Credit cards are accepted for payment.

If your group is tax exempt, please present a current copy of your tax exemption information prior to your event. During the initial booking process would be best.

Florida Liquor Law prohibits individuals or groups from bringing alcoholic beverages into the facility.

The Administrative Fee is retained to defray administrative costs; it is not intended to be a tip, gratuity, or service charge and will not be distributed to employees. Administrative fee applies to all services rendered.
